

SPECIAL REMINDERS TO PARENTS/GUARDIANS

LANYARDS & IDENTIFICATION BADGES

- Lanyards and identification badges **are required** for all students at BVT. All students will be issued **BVT approved identification badges, badge holders, and lanyards.**
- There is no charge for the first issue. Replacements **must be purchased** through the Business Office. A replacement set will cost \$4.00. Each component will be assessed as follows:

Identification Badge..... \$2.25

Badge Holder.....\$0.50

Lanyard..... \$1.25

- The identification badge fits into the badge holder; the badge holder attaches to the lanyard. It is mandatory for all students to wear this combination by placing the lanyards around their necks.
- There are consequences for the failure to wear the designated student identification badges. See the Overview of Discipline System in the BVT Student Handbook.

CELL PHONES & TEXT MESSAGING

BVT students are allowed to bring their cell phones to school **but** we require that the phone be **shut off and put away** during school hours.

Cell phones should not interfere with classroom or shop instruction—either by ringing or by checking voice mail or by texting. Please help us by not calling or texting your BVT student during the school day. If you need to reach him/her, please contact us at 508-529-7758 and we will relay the message.

There are consequences for violating the BVT cell phone and electronics policy. See Handbook.

THANK YOU FOR YOUR ASSISTANCE WITH THESE MATTERS.
