PREAMBLE

Reviewers of the admissions plan which follows are first encouraged to recognize that the Blackstone Valley Vocational Regional School District (BVT) does not limit its services to its campus-based enrollees. Over the past three decades our system has assisted sister LEAs in establishing Chapter 74 programs, DESE authorized Pathway options, and multiple career education opportunities. Districtwide students have participated in and benefitted from multiple integration initiatives from robotics, medical assisting, historical re-enactments, and science lessons provided by their regional vocational technical partner. As a viable educational partner, the District fosters multiple shared endeavors among its eleven feeder LEAs. Collaborative ventures include but are not limited to hosting events which showcase educational models and excellence of all educational systems, professional development training, shared grant pursuits, extending consulting support to colleagues, operating vaccination clinics, and providing construction assistance for career labs. New forms of collaboration are regularly advanced via monthly meetings among area Superintendents, their staff, and BVT personnel.

This plan is anchored in the District’s most recent state-approved admissions plan, which was approved by DESE in FY2019, and builds upon that plan to incorporate changes mandated by the adoption of amendments to the Vocational Technical Education Regulations, 603 CMR 4.03(6)(a), by the Board of Education on June 22, 2021.

At Blackstone Valley Tech, we recognize the importance of inclusivity and are mindful of the need to ensure our admissions policy and procedures are sensitive to equity and access issues of targeted populations within our catchment area. Enrollment data confirms that policy and procedure changes over the past three years has the District trending favorably in increasing enrollment of students of color and students with disabilities. Our goal is to continue this positive movement towards equity in CVTE enrollments at BVT by strengthening our recruitment efforts and support systems to be more inclusive of first language not English (FLNE), English Learner (EL), and economically disadvantaged students. An important part of this plan relies upon the CVTE Equitable Access Grant received during the summer of 2021, which will facilitate funding for a recruitment specialist...
responsible for recruiting and advocating for EL, FLNE, and economically disadvantaged applicants; a data specialist to analyze enrollment and other data to support enrollment policy and procedure changes; Spanish and Portuguese interpreters for recruitment events; bus transportation costs for bilingual tours; and supplies and materials to ensure equitable access to information on CVTE and BVT’s online application.

Additional support measures include continuing to provide orientation for sending school counselors, tours and open houses for prospective students and their families, and admissions information on our website provided in both Spanish and Portuguese. To strengthen the ability of targeted populations to be successful applicants, our website offers several virtual information sessions and provides sample questions to be used in preparing for admissions interviews. The District has also created additional opportunity for enrollment via the DESE approval on July 13, 2021 of a revised two-year Drafting program that will enable us to accept Grade 11 applicants. To field test the DESE suggested lottery process, the District will review candidates for its revised two-year Drafting Program under a proposed lottery process.

Within this Admissions Policy, the parameters of selection criteria have been detailed to ensure compliance with BOE approved amendments. For example, all excused absences are forgiven within the Attendance score and an opportunity is provided for candidates to appeal the score to shed light on extenuating circumstances which may have impacted attendance. Similarly, minor infractions are no longer considered within the School Discipline/Conduct score, and more in-depth review of discipline issues allows admissions personnel to reach an individualized assessment of each candidate’s conduct.

The District is committed to monitoring and self-analyzing the impact of admissions outcomes to ensure positive trending to mirror protected populations within the catchment. This, along with the redefined candidate review process detailed within the following, should enable the District to gauge the impact of its reconfigured admissions. The District reaffirms its commitment to provide quality career technical education to its thirteen member communities equally.

I. INTRODUCTION

Blackstone Valley Vocational Regional District School Committee has established an admissions process due to the space limitation of Blackstone Valley Tech. Vocational technical laboratories (shops) are designed and equipped to serve a specific maximum number of students safely. Consequently, a complex of such laboratories lacks both the space and flexibility to accommodate the possible needs and/or interests of all applicants. Therefore, a process is utilized to determine which applicants have demonstrated a commitment to their education and a readiness for rigorous career technical studies. All applicants to grades nine through twelve at Blackstone Valley Regional Vocational Technical High School will be evaluated using the criteria contained in this Admissions Policy.

The Blackstone Valley Vocational Regional School Committee will annually review and approve the District’s Admission Policy no later than October 1st unless requesting an extension from the Department of Elementary and Secondary Education (DESE). The Superintendent will submit an annual attestation by October 1st to the DESE indicating the Admission Policy has been approval of the District’s School Committee.
The Blackstone Valley Vocational Regional District School Committee approved the current policy on November 18, 2021.

A copy of the approved Admission Policy will be made available in the following locations:

- On file with the Massachusetts Department of Elementary and Secondary Education (DESE)
- On file with the BVT Human Resources Department in the District’s Policy Manual
- Admission page of the BVT website
- Included in the annual publication of the BVT Program of Studies
- Linked to the admission application
- Linked to a copy of admission decline letters

II. EQUAL EDUCATIONAL OPPORTUNITY

Blackstone Valley Regional Vocational Technical High School admits students and makes available to them its programs and courses of study without regard to race, color, sex, religion, national origin, gender identity, sexual orientation, homelessness or disability.

If there is a student with limited English proficiency, a qualified representative from Blackstone Valley Regional Vocational School District will assist the applicant in completing the necessary forms and assist in interpreting during the entire application and admissions process upon the request of the applicant. All admission materials, tours, open houses and applications are made available in multiple languages, via our website, language interpreters, or by contacting the Admission Office.

Students with disabilities may voluntarily self-identify for the purpose of requesting reasonable accommodations during the entire application and admissions process.

Blackstone Valley Tech is committed to providing educational opportunities to students experiencing homelessness. Please contact Blackstone Valley Tech’s liaison (Mr. Matthew Urquhart, Assistant Principal) at 508-529-7758 x3024 or murquhar@valleytech.k12.ma.us with any questions on how BVT can assist in the application process.

Consistent with Massachusetts regulations, Blackstone Valley Tech has created a plan with “deliberate, specific strategies to promote equal educational opportunities and attract, enroll, and retain a student population that, when compared to students in similar grades in sending districts, has a comparable academic and demographic profile.”

Blackstone Valley Tech:

- Employs a full time licensed teacher of English Learners. This teacher serves as a liaison for students and parent(s)/guardian(s) of English Learners and supports students in both their academic and shop courses.
- Maintains a Diversity, Equity and Inclusion team of staff members.
- All staff is provided with yearly training and professional development in the support of students with diverse backgrounds.
- All professionally licensed teaching staff are SEI indorsed or enrolled in SEI coursework.
• Curricular materials with in the vocational, academic and school counseling areas are regularly reviewed for bias and generalizations.
• Utilizes multilingual and/or multicultural students as ambassadors in the admissions process to travel to sending middle schools for presentations about BVT.
• Employs many internal interpreters while also contracting externally to ensure availability and accessibility for students, parent(s)/guardian(s) and families to all school activities.
• Has many student clubs, organizations and activities that promote causes and celebrations related to diversity, equity, and inclusion of all students.

Information on limited English proficiency, disability or homeless status submitted voluntarily by the applicant, for the purpose of receiving assistance and accommodations during the entire application and admission process, will not affect their admission to the school.

III. ELIGIBILITY

Any eighth, ninth, tenth or eleventh grade student who is a resident of the Blackstone Valley Vocational Regional School District (Bellingham, Blackstone, Douglas, Grafton, Hopedale, Millville, Milford, Mendon, Millbury, Northbridge, Sutton, Upton, Uxbridge) who expects to be promoted to the grade they seek to enter by their local district is eligible to apply for fall admission or admission during the school year subject to the availability of openings to Blackstone Valley Regional Vocational Technical High School. Resident students will be evaluated using the criteria contained in this Admissions Policy. Priority for admission is given to Blackstone Valley Vocational Regional School District residents according to the District Agreement. Resident students who meet the requirements for admission shall be admitted prior to acceptance of any non-resident students seeking the same program.

Homeschool applicants may apply to attend Blackstone Valley Tech full-time and will be subject to the same admissions standards as other applicants.

Students who are not residents of the Blackstone Valley Vocational Regional School District are eligible to apply for fall admission or admission during the school year subject to the availability of openings to Blackstone Valley provided they expect to be promoted to the grade they seek to enter by their local district. Nonresident students will be evaluated using the criteria contained in this Admissions Policy.

Transfer students from other Chapter 74 State Approved Programs are eligible to apply for fall admission or admission during the school year to grades 9-12 at Blackstone Valley provided they expect to be promoted to the grade they seek to enter by their current school. Transfer students will be evaluated using the criteria contained in this Admissions Policy and the availability of seats in the same program at BVT.
IV. ORGANIZATIONAL STRUCTURE

Blackstone Valley Tech is a public regional vocational technical school located in Upton, Massachusetts. Blackstone Valley Tech is a member of the Blackstone Valley Vocational Regional School District and is accredited by the New England Association of Schools and Colleges. Blackstone Valley Tech is committed to providing quality vocational technical programs.

It is the responsibility of the Blackstone Valley Tech’s Superintendent-Director to supervise the administration of the policies and procedures used to admit and enroll applicants, consistent with all applicable laws, regulations and guidance in conformity with this Admissions Policy.

Blackstone Valley Tech has an Admissions Committee appointed by the Superintendent-Director. The committee is chaired by the Vocational Director and consists of members of the Administration, School Counselors, Student Services, Vocational Technical and Academic Departments. Responsibilities of the Admissions Committee include:

A. determination of standards for admission
B. development and implementation of admission procedures
C. processing of applications
D. acceptance of students according to the procedure and criteria in the admissions policy
E. establishment and maintenance of a list of candidates to be considered for admission when/if seats become available.

The Blackstone Valley Tech Vocational Director is responsible for disseminating information about Blackstone Valley Tech through local school assemblies, information sessions, school tours, open houses, direct mailings, and press releases. Additionally, they are responsible for collecting applications from the local schools.

Blackstone Valley Regional Vocational Technical School District Agreement:

Blackstone Valley Regional Vocational Technical School District is governed by a School Committee composed of one elected member with residency consideration for each town and district wide election across all 13 communities. Annually, the Admissions Committee makes a recommendation to the School Committee regarding the number of positions available for new students for the coming school year.

In accordance with the Educational Reform Act, the Blackstone Valley Vocational Regional School District Committee votes annually on whether to adopt school choice. Currently, by such vote, Blackstone Valley Tech is not a choice school. The overwhelming application interest from member towns contributed significantly to this decision.

V. RECRUITMENT PROCESS

1. Blackstone Valley Tech disseminates information about the school through a variety of methods.
a. Representatives from Blackstone Valley Tech will make themselves available to visit each sending school in the fall (October/November) to meet all eighth graders and conduct an informational program about the vocational-technical-academic offerings available at Valley Tech. This program consists of viewing a video about the school, a question and answer period and a review of dates relative to tours of the school, Admission Open House, and due date for completed applications.

b. The Admissions Office will offer a series of evening virtual information sessions for interested parents/students. These events will be advertised on the school’s website and via a direct mailing to all district 8th grade students. This program consists of viewing a video about the school, a question and answer period and a review of dates relative to tours of the school, admission open house, and due date for completed applications.

c. An Admission Open House is scheduled in late November/early December. Prospective students and their parent(s)/guardian(s) have an opportunity to visit all vocational-technical programs and speak with teachers as well as view a presentation about all offerings. Language interpreters are onsite at the school during the Admission Open House and are available throughout the evening to assist with tours and to answer admission questions.

d. Parent(s)/guardian(s) may schedule individual and/or group visits at a mutually convenient time.

e. Brochures, which describe vocational technical programs including academic courses, sports, student activities, cooperative education, and special education resources are distributed during the 8th grade visitations, attached to our school’s website and available during the admission open house. BVT makes available all admission materials including these documents, resources, and the application in multiple languages.

f. Blackstone Valley Tech does not require potential students or their parents/guardians to attend any school tours, open houses, or information sessions as a condition of the application and/or enrollment.

ADMISSION LOTTERY FOR THE TWO-YEAR DRAFTING PROGRAM

A rising junior student (10th grade student at the time of the application) who is a resident of the Blackstone Valley Vocational Regional School District (Bellingham, Blackstone, Douglas, Grafton, Hopedale, Millville, Milford, Mendon, Millbury, Northbridge, Sutton, Upton, Uxbridge) and is interested in pursuing a training in the drafting trade is eligible to apply for the two-year Chapter 74 approved Drafting program.

Application Deadline:

10th Grade Application for Fall Admissions | April 1st

Students interested in applying to Blackstone Valley Tech for fall admission to the two-year Chapter 74 approved Drafting program must complete the following to be eligible for the selection lottery:

a. Obtain an application from their local school Guidance Counselor or complete the online application. The application and online application portal will be available each year on October 1st. The application must be completed and submitted prior to the deadline.

b. Applications received after the deadline will not be eligible for the selection lottery.

c. Applicants will not be eligible for admission if suspended or expelled pursuant to M.G.L. c.71 §37H or §37H1/2.

d. Successful of completion of 10th grade. The applicants must have passed courses in English language arts or its equivalent and mathematics for the school year immediately preceding their enrollment at Blackstone Valley Tech.

The selection lottery will take place annually prior to May 15th. Student applicants and parents/guardians will be notified two weeks prior of the selection lottery date and time. The lottery will be live via a virtual or in-person session. All students will be issued a selection number. The first 16 selected via lottery will be offered the 16 available seats. All other students remaining will be issued a lottery number 17 through the last applicant and will be placed in this order on a waitlist for the two-year drafting program.

The student(s) and parent(s)/guardian(s) will be notified of their selection. They will have 7 days to accept or decline the offer. If there is a decline, the next person on the lottery driven waitlist will be notified and given the same amount of time to accept or decline. This process will continue until all seats are filled. The process will conclude when all seats are filled or until the first week in September.

Students applying for the two-year drafting program are not eligible for in-school program transfers.

VII. SELECTION CRITERIA

The Admissions Committee, using admissions criteria, process completed applications. Each applicant will be assigned a score derived from the sum of the sub scores of the following criteria.
After points are given in each area, the points are totaled for each applicant. A maximum total of one hundred (100) points can be earned.

A. **Scholastic Achievement**: Maximum 25 points

Blackstone Valley Tech provides a document of helpful interview techniques and a bank of sample interview questions to all applicants. This resource is provided in multiple languages. For students whose first language is not English or is more comfortable answering in another language, interviews will be conducted in the applicant’s native language.

For students with learning disabilities (including IEPs, 504s or DCAP plans), a multitude of resources are available to support the applicant during the interview process. The resources include, but not limited to, extended answering time, word banks, repeated questions, additional prompts, etc. To access these accommodations, paren(s)/guardian(s) of students with learning disabilities are encouraged to contact the
VIII. SELECTION PROCESS

In March, members of Blackstone Valley Tech’s Admissions Committee will assemble to review all fully completed applications received by January 15th. They will check each application for accuracy before awarding rating points in each category. After awarding rating points, each category will be totaled. The applicants from each town will be ranked from high to low. Students listed above the cut-off score will be selected for admission. Those below the cut-off point will be placed on a hold list. In the event of a tie-breaker situation, acceptances will be prioritized to mitigate the greatest fluctuations in enrollment of a given town versus its enrollment from the prior year. The cut-off score is determined annually by ranking all applicants from top to bottom and selecting the number of applicants necessary to fill the Freshmen Class (i.e. 400 applicants, 225 top ranked are accepted). All students and their local guidance counselors are advised of their admissions status (accepted, hold list) by the 2nd week in April.

After the completion of the first round of admissions, Blackstone Valley Tech will continue to draw from the hold list to fill all available seats until the last Friday in September. Seats may become available due to declines, withdrawals, out-of-district moves, and other methods resulting in opportunities to offer admission to additional students.

Non-resident applicants are evaluated using the criteria in this Admissions Policy and will be placed on the applicant list after the resident applicants. Non-resident applicants on the list will only be accepted if all resident applicants have been accepted.

Applications received after January 15th will be evaluated using the same criteria as other applications and their composite score will be integrated in rank order on the established applicant list.

Late applicants whose applications were not received by Blackstone Valley Tech by January 15th will receive a letter informing them of their status.

IX. ENROLLMENT

In order to enroll at Blackstone Valley Tech for the fall, applicants must have been promoted to the grade they wish to enter by their local school district. In addition, they must have passed courses in English language arts or its equivalent and mathematics for the school year immediately preceding their enrollment at Blackstone Valley Tech.

X. VOCATIONAL TECHNICAL PROGRAM PLACEMENT

Because Blackstone Valley Tech offers 5 or more Chapter 74 state-approved programs, BVT provides a half year exploratory program for 9th grade students, which is based on the applicable Vocational Technical Education and Massachusetts Curriculum Frameworks.

All ninth grade students enrolled at Blackstone Valley Regional Technical High School participate in a vocational technical exploratory program (August through December)
designed to introduce each student to several career pathways while helping them discover their talents and interests through a brief (typically 4-5 days) immersion in seven different vocational-technical areas. Students choose three programs to explore, and Blackstone Valley Tech provides the remaining four, including one gender based, non-traditional shop in compliance with Carl D. Perkins Career and Technical Education Act of 2006 (Perkins IV). (Example: Automotive for a female student or Cosmetology for a male). Throughout the exploratory experience, vocational teachers evaluate each student based upon a common rubric/scoring guide in the following areas:

- Competency in technical area
- Following Instructions
- Quality of Work
- Safety
- Behavior/Professionalism

Students may receive a maximum of 20 points in each criterion for a total of 100 points. Exploratory scores are then entered into the student information system, tabulated, organized and reported to each individual student and their parent/guardian the week following each experience.

At the conclusion of the exploratory period, each student selects their program of choice; as well as second through seventh choices from the explored shops. The administrative team meets to review scores and student requests which are sorted to rank order the students according to their score in the shop the student requested as their first choice.

To assist in the selection process, Blackstone Valley Tech offers a Freshmen Vocational Career Night which provides the opportunity for parents/guardians to visit the student’s top four program choices. Vocational staff present information pertaining to the program’s curriculum and State frameworks, post-secondary placement and career paths, co-op and employment opportunities. Language interpreters are present onsite at the school during the Freshmen Vocational Career Night and are available throughout the evening to assist with presentation in the program areas and answer questions regarding the vocational selection process.

Students are admitted into the shop of their choice based on the point total they received in their first choice shop. For example, a student with a point total of 90 would be admitted before a student with a point total of 80.

When a technical program exceeds its capacity for enrollment, the following steps are taken for placement:

1) Students are placed in their 2nd through 7th choices according to their choice of program (shop).
2) Their rank order (using exploratory scores) is then compared to other students requesting that shop.
3) Tie breaker procedure for all placements:
   (a) First tie breaker - based on the shop average of the selected shop.
   (b) Second tie breaker – based on the cumulative average of all seven shops.
4) Students will not be placed in a particular shop if they did not pass that shop during exploratory.

5) Program wait lists are created when students are placed in a program other than their first choice, yet would like to be in a different shop that is at full capacity. Students on a wait list are rank-ordered by their exploratory scores. Waitlisted students are notified if an opening occurs in their desired shop and given the option to change shops or remain in their current placement.

If a student did not receive any of their seven choices and wishes to explore additional shops they may do so for two additional cycles provided there is space to safely do so.

After placement, students continue in the shop in which they were placed for the remainder of their school tenure unless they request a transfer. Students who wish to transfer from one shop to another may apply for transfer through their school counselor by completing a Request for Shop Transfer form and obtaining the appropriate signatures after the second 9th grade trimester is completed.

- Transfer requests will be considered subject to availability of openings in the requested program(s). Each transfer applicant will receive career counseling prior to final transfer approval.

- Transfer requests in shop placement will not be allowed after the completion of the first trimester of sophomore year. Exceptions to this may only be authorized and approved at the discretion of the Assistant Superintendent-Director (Principal).

Students who enroll in Blackstone Valley Tech High School after grade 9 will be accepted into a specific technical program upon admission. If, after enrollment, the student desires a shop change, the students may apply for transfer through their school counselor by completing a Request for Shop Transfer form and obtaining the appropriate signatures. Transfer requests will be considered subject to availability of openings in the requested shops. Each transfer applicant will receive career counseling prior to final transfer approval. Transfer requests in shop placement will not be allowed after the completion of the first trimester after enrollment at BVT.

XI. REVIEW and APPEALS

The applicant's parent(s)/guardian(s), upon receipt of a letter from Blackstone Valley Tech indicating that the applicant was not accepted, may request a review of the decision by sending a letter requesting a review to the Vocational Director within thirty days of the receipt of the letter. The Vocational Director will respond in writing to the letter with the findings of the review within thirty days.

If after the review, the parent/guardian wishes to appeal the findings of the review they may do so by sending a letter requesting a meeting with the Superintendent-Director to appeal the Vocational Director’s findings. The Superintendent-Director will respond in writing to the parent/guardian with a scheduled date for the appeal within thirty days of the receipt of the letter. The Superintendent-Director will respond in writing to the letter with their
decision on the appeal within thirty days of the meeting with the Superintendent-Director when the appeal was presented.

The applicant's parent/guardian, upon receipt of a letter from Blackstone Valley Tech indicating that the applicant was not accepted or placed on a waiting list for a particular program (shop)(major), may request a review of the decision by sending a letter requesting a review to the Vocational Director within thirty days of the receipt of the letter. The Vocational Director will respond in writing to the letter with the findings of the review within thirty days.

XII. MAINTENANCE OF RECORDS

Blackstone Valley Regional Vocational Technical High School maintains records of all students who apply, enroll, or are waitlisted, as well as their score on admission criteria (if used), to facilitate analysis of its admissions system and compliance with applicable laws and regulations. Blackstone Valley Tech will provide this information to the Department upon request.

XIII. ADMISSION INITIATIVES 2022-2023

The Blackstone Valley Vocational Regional School District has continuously evaluated and revised its Admission Policy to reflect the need to provide equitable access to our school and its programs. Using tools provided by the DESE to evaluate data, stakeholder input, and program trends, revisions to the Admission Policy are proposed and along with a plan of initiatives to support the admission process. The following initiatives are planned for the 2022-2023 admission season to support the approved Admission Policy:

1. Obtained CVTE Equitable Access Grant resulting in the establishment of two positions to support the admission process:
   a. Recruitment Specialist – This is a grant-funded position through the CTVE Equitable Access grant that will help improve equitable access to the admission process for Blackstone Valley Tech. The role of this person will include the recruiting and advocating for but not limited to English learners, FLNE and economically disadvantaged student applications from the 13 sending towns. In addition, this position will act as a liaison creating and maintaining partnerships with sending districts, community organizations, and families to provide access to the admission process. The Admission Recruitment Specialist will develop, coordinate, and deliver outreach programs to educate prospective students and their families on the benefits of a vocational technical education.
   b. Equitable Access Data Specialist - This is a grant-funded position through the CTVE Equitable Access grant that will help improve equitable access to the admission process for Blackstone Valley Tech. The role of this person will be to collect and present data that focuses on the admission process at BVT to support policy and procedure changes.
   c. Application assistance – Laptop access to allow for interested candidates access to admission information and the online application a variety of community locations.
2. Increased and expanded use of multiple language resources in all areas of our admission process, including but not limited to:
   • Online materials
   • Application
   • Printed materials
   • In-person tours
   • Interviews
   • Open house
   • Career & curriculum nights

How to Apply

Students with a passion for learning who reside in the 13-town of Blackstone Valley Vocational Regional School District and who will have completed Grade 8 prior to enrolling, may apply. This year we will be offering an online Freshman application. The **freshman online application** (opened October 1st) is the primary and preferred method for applying. However, if you need a paper copy, you may obtain one from your school guidance counselor or call our Admissions Office at 508–529–7758 x3020. **The deadline to apply for grade 9 is January 15th.**

Upperclassmen Application: Admissions for grades 10-12 are subject to the availability of openings. Upperclassmen, like 8th-grade students interested in applying for the 9th grade, please use the **upperclassman online application** or obtain an application from their local school Guidance Counselor, and proceed through the admissions process in the same way. **The deadline to apply for upperclassman is the first Friday in April.**

Admission Timeline

The following timeline should be kept in mind (subject to change due to COVID-19):
• **November**: Tentatively, campus tours are not available at this time. Opportunities to tour may arise over the winter months. The Open House is scheduled to be in-person. Decision will be made as the date approaches.
• **January 15th**: Application Deadline.
• **February**: Interviews are conducted virtually.
• **March (late)**: Notification/acceptance letters mailed.
• **First Friday in April**: Upperclassman application deadline.
• **April 1, 2023**: Placement testing for accepted incoming freshman students.
• **April (late)**: Deadline to accept for those who received an acceptance letter.
• **June/July**: Subject to availability of openings, applications for upperclassmen are reviewed. For complete details on what it takes to become a BVT Beaver, check out our **BVTAdmissions Policy**.

Interview Anxiety & Sample Interview Questions

If you are nervous about the interview portion of your BVT application, you are not alone! Even adults tend to get anxious when they have to do an interview for college, a graduate program, a job, etc. It is a very normal, human reaction.

We know that this is the first time that the majority of you will be completing an interview and we expect that you may be nervous. We are mindful of that and promise we will do our best to help you feel comfortable. Below you will find some tips for helping you to feel as prepared, calm, and confident as possible.

1. Accept You May Feel Anxious: When people accept that something makes them anxious, the anxiety tends to lose some of its power.

2. Dress For Success: Looking professional is part of the interview process. For our purposes, we want you to dress in something considered school appropriate according to your school dress code just like on any other school day. Choose something that makes you feel comfortable, confident, and most importantly like yourself.

3. Eat Well: Hunger can make it more difficult to think clearly and manage your emotions. You’ll feel better in your interview, if you keep it in check!

4. Practice: People tend to feel more comfortable answering interview questions when they’ve had some practice. It can also be helpful to think back to your practice answers if you do get nervous during the real interview. Ask your family, friends, school counselor, etc. to play the interviewer for you. We have some practice questions attached for you to review!

5. Brainstorm: You may feel more confident if you make a list of things you would like to mention during the interview and review it prior to stepping into the interview room. You can also think back to your list during the interview, if you do get nervous or are unsure of what to say.
6. Be Yourself: The interview is all about telling us who you are and luckily anxiety tends to fade when you are talking about things that matter to you. Don't be afraid to put yourself out there. We are not looking for one kind of student. We are looking for students of all kinds.

7. Cleansing Breaths: Take a few cleansing breaths while you are waiting to go into the interview room or even during the interview itself, if you start to feel anxious. It may help you to feel more at ease. Where do you feel the breath the most? The inhale or exhale? In your nose, chest, belly? Focus on that strong sensation as you breathe in and out.

8. Worry Stone: Some people have an easier time focusing on the here and now if they something to physical to hold onto and manipulate. If this sounds like you, you may want to keep a worry stone or something similar in your pocket that you can access if you feel nervous before or during the interview.

9. Accommodations: If you normally get classroom accommodations that might help you in the interview, let us know! Just like you shouldn't lose points on quizzes or tests for accessing your accommodations in your classes, we do not deduct points on the interview for giving students what they need to be successful. Not asking for those things could put unneeded stress on you. We want to help you do your best!

It is okay if you find yourself feeling anxious during your interview.
Most people do. It’s completely normal.
We understand and we will get through it together!
Sample Interview Questions

Here are some of the questions you may be asked during the interview. Be yourself and share personal examples throughout; we want to get to know you and what you would contribute to the BVT community.

1. Why do you want to attend a vocational school?
2. What interests you most about a vocational school? About BVT specifically?
3. What do you think your teacher(s) would say about you if asked?
4. What do you think you must improve upon to be ready to do well in a vocational school?
5. What do you think you already have that will help you do well in a vocational school?
6. Tell me one thing about yourself that would support your application to BVT?
7. What vocational program interests you the most? Why?
8. What would you like to have as a career? Do you have plans for after high school?
9. What are your strengths? Weaknesses?
10. What subjects do you most enjoy and like least and why?
11. How do you like to spend your free time?
12. If I asked your friends to describe you, what would they say?
13. What is your biggest challenge?
14. What would you like to accomplish academically during high school? Extracurricularly? Technically?
15. What/who helped you decide to apply to BVT?
Ansiedad de entrevista

Si está nervioso por la parte de la entrevista de su solicitud de BVT, está— ¡es normal! Incluso los adultos tienden a ponerse ansiosos cuando tienen que hacer una entrevista para la universidad, un programa de posgrado, un trabajo, etc. Es una reacción humana muy normal.

Sabemos que esta es la primera vez que la mayoría de ustedes completarán una entrevista y esperamos que estén nerviosos. Somos conscientes de ello y prometemos que haremos todo lo posible para ayudarlo a sentirse cómodo. A continuación, encontrará algunos consejos que le ayudarán a sentirse lo más preparado, tranquilo y seguro posible.

1. Acepte que puede sentirse ansioso: cuando las personas aceptan que algo las pone ansiosas, la ansiedad tiende a perder algo de su poder.

2. Vístete para el éxito: lucir profesional es parte del proceso de la entrevista. Para nuestros propósitos, queremos que se vista con algo que se considere apropiado para la escuela de acuerdo con el código de vestimenta de su escuela, como en cualquier otro día escolar. Elija algo que lo haga sentir cómodo, seguro y, lo más importante, que se parezca a usted mismo.

3. Come bien: el hambre puede hacer que sea más difícil pensar con claridad y controlar tus emociones. usted ¡Se sentirá mejor en su entrevista, si la mantiene bajo control!

4. Práctica: las personas tienden a sentirse más cómodas respondiendo las preguntas de la entrevista cuando ‘he tenido algo de práctica. También puede ser útil recordar sus respuestas de práctica si se pone nervioso durante la entrevista real. Pídale a su familia, amigos, consejero escolar, etc. que haga de entrevistador por usted. ¡Tenemos algunas preguntas de práctica adjuntas para que las revise!

5. Lluvia de ideas: puede sentirse más seguro si hace una lista de las cosas que le gustaría mencionar durante la entrevista y la revisa antes de entrar a la sala de entrevistas. También puede recordar su lista durante la entrevista, si se pone nervioso o no está seguro de qué decir.
6. Sé tú mismo: la entrevista se trata de decírnos quién eres y, afortunadamente, la ansiedad tiende a desvanecerce cuando hablas de cosas que te importan. ¡No tengas miedo de exponerse! No buscamos un solo tipo de estudiante. Buscamos estudiantes de todo tipo.

7. Respiraciones limpiadoras: Toma algunas respiraciones limpiadoras mientras espera para ir a la sala de entrevistas o incluso durante la entrevista en sí, si comienza a sentirte ansioso. Puede ayudarte a sentirte más a gusto. ¿Dónde sientes más la respiración? ¿Inhalar o exhalar? ¿En tu nariz, pecho, barriga? Concéntrate en esa fuerte sensación mientras inhala y exhala.

8. Worry Stone: a algunas personas les resulta más fácil concentrarse en el aquí y ahora si tienen algo físico a lo que agarrarse y manipular. Si esto le suena familiar, es posible que desee tener una piedra de preocupación o algo similar en su bolsillo al que pueda aceder si se siente nervioso antes o durante la entrevista.

9. Adaptaciones: Si normalmente obtiene adaptaciones en el aula que podrían ayudarlo en la entrevista, ¡háganoslo saber! Como no deberías perder puntos en cuestionarios o exámenes por acceder a sus adaptaciones en sus clases, no deducimos puntos en la entrevista por darles a los estudiantes lo que necesitan para tener éxito. No pedir esas cosas podría generarle estrés innecesario. ¡Queremos ayudarte a hacer tu mejor esfuerzo!

Está bien si se siente ansioso durante la entrevista.
La mayoría de la gente lo hace. Es completamente normal. ¡Lo entendemos y lo superaremos juntos!
Ejemplos de preguntas de la entrevista

Estas son algunas de las preguntas que le pueden hacer durante la entrevista. Sea usted mismo y comparta ejemplos personales a lo largo. Queremos conocerte y saber qué aportarías a la comunidad de BVT.

1. ¿Por qué quiere asistir a una escuela vocacional?
2. ¿Qué es lo que más le interesa de una escuela de formación profesional? ¿Sobre BVT específicamente?
3. ¿Qué piensas tu maestro diría sobre usted si se le preguntara?
4. ¿Qué crees que debes mejorar para estar listo para desempeñarte bien en una escuela de formación profesional?
5. ¿Qué crees que ya tienes que te ayudará a tener un buen desempeño en una escuela vocacional?
6. Cuéntame una cosa sobre usted que respalde su solicitud a BVT.
7. ¿Qué programa vocacional te interesa más? ¿Por qué?
8. ¿Qué te gustaría tener como carrera? ¿Tienes planes para después de la secundaria?
9. ¿Cuáles son sus puntos fuertes? Débilidades?
10. ¿Qué temas disfrutas más y te gustan menos y por qué?
11. ¿Cómo le gusta pasar su tiempo libre?
12. Si les pidiera a tus amigos que te describieran, ¿qué dirían?
13. ¿Cuál es tu mayor desafio?
14. ¿Qué le gustaría lograr académicamente durante la escuela secundaria? ¿Extracurricularmente? ¿Técnicamente?
15. ¿Qué/ ¿Quién te ayudó a decidir postularte a BVT?
Entrevista de ansiedade

Se você está nervoso com a parte da entrevista de sua inscrição no BVT, você está — sozinho! Mesmo os adultos tendem a ficar ansiosos quando têm que fazer uma entrevista para a faculdade de um programa de pós-graduação, um emprego, etc. É uma reação humana muito normal.

Sabemos que esta é a primeira vez que a maioria de vocês completará uma entrevista e esperamos que vocês fiquem nervosos. Estamos certos disso e prometemos que faremos o nosso melhor para ajudá-lo a se sentir confortável. Abaixo você encontrará algumas dicas para ajudá-lo a se sentir mais preparado, calmo e confiante possível.

1. Aceite que você pode se sentir ansioso: quando as pessoas aceitam que algo as deixa ansiosas, a ansiedade tende a perder parte de seu poder.

2. Vestido para o sucesso: Parecer profissional faz parte do processo de entrevista. Para nossos propósitos, queremos que você se vista de acordo com o código de vestimenta da escola, como em qualquer outro dia de aula. Escolha algo que o faça se sentir confortável, confiante e, o mais importante, como você mesmo.

3. Alimente-se bem: a fome pode tornar mais difícil pensar com clareza e controlar suas emoções. Vocêª/s você me sentir melhor na sua entrevista, se você controlá-la.

4. Prática: as pessoas tendem a se sentir mais confortáveis respondendo às perguntas da entrevista quando têm alguma prática. Também pode ser útil memorizar as respostas práticas que você ficar nervoso durante entrevista real. Faça à sua família, amigos, conselheiro escolar, etc. para fazer o papel de entrevistador para você. Tamos algumas questões práticas anexadas para você revisar.

5. Brainstorm: Você pode se sentir mais confiante se fizer uma lista de coisas que você tinha de mencionar durante a entrevista e revisar-a antes de entrar na sala de entrevista. Você também pode pensar em sua lista durante a entrevista, se ficar nervoso ou não tiver certeza do que dizer.
6. Seja Você Mesmo: O objetivo da entrevista é nos dizer quem você é e, felizmente, a ansiedade tende a diminuir quando você está falando sobre coisas que são importantes para você. Vamos, não tem nada de se esconder. Nós estamos procurando um tipo de aluno. Procuramos alunos de todos os tipos.

7. Respirações de Limpeza: Faça algumas respirações de limpeza enquanto espera para ir para a sala de entrevista ou mesmo durante a entrevista em si, se você começar a se sentir ansioso. Isso pode ajudar a se sentir mais à vontade. Onde você sente mais a respiração? A inspiração ou exalação? Em seu nariz, peito, barriga? Concentre-se nessa sensação, forte os inspirar e expirar.

8. Pedra da Preocupação: Algumas pessoas têm mais facilidade para se concentrar no aqui e agora, se passar algo físico para se agarrar e manipular. Se isso seja como você, você pode querer manter uma pedra da preocupação ou algo semelhante no bolso, que você pode acessar se sentir-se nervoso antes ou durante a entrevista.

9. Acomodações: Se você normalmente consegue acomodações em sala de aula que possam ajudá-lo na entrevista, avise-nos! Assim como você deveria para perder pontos em questionários ou testes de acesso às suas acomodações nas aulas, não deduzimos pontos na entrevista por dar aos alunos o que eles precisam para ter sucesso. Não pedir essas coisas pode colocar um estresse desnecessário em você. Queremos ajudá-lo a fazer o seu melhor!

Não há problema em se sentir ansioso durante a entrevista. A maioria das pessoas sim. É completamente normal. Nós entendemos e vamos superar isso juntos!
