

Spring Sports Outdoor Attendance Policy For Contests at Blackstone Valley Tech

Each family of Blackstone Valley Tech rostered players will be allowed up to four (4) spectators per contest. Our opponents will be all two (2) spectators per contest. When the spectator policies of our opponents are sent to me, I will email the policy to families prior to each contest.

The pandemic is not over and there still must be consideration for those in attendance enjoying the game. There will be no Livestreaming of home contests during the spring season.

It is **imperative** that the following be adhered to from the time you and your family arrive on the campus of Blackstone Valley Tech. If the following is not adhered to, then we will revert to the two adult only guest policy for all contests:

Baseball:

- Facial coverings must be worn at all times and social distancing guidelines (6 feet) are still in effect
- We ask that spectators socially distance themselves to view the contest from the parking lot along the first base dugout (out to right field) and along the parking lot that runs from right field to center field

Softball:

- Facial coverings must be worn at all times and social distancing guidelines (6 feet) are still in effect
- We ask that spectators socially distance themselves to view the contest from the parking lot along the first base dugout (out to right field) and the parking lot along the third base dugout (out to left field)

Boys and Girls Lacrosse:

- Facial coverings must be worn at all times and social distancing guidelines (6 feet) are still in effect
- All spectators must enter the gate closest to Pleasant Street
- The bleacher areas allow for all four family spectators to sit socially distanced from other family spectators
- Spectators may not stand on the purple or yellow benches
- Spectators should refrain from walking on the track behind the visiting team
- Spectators are not allowed to stand along the sidelines and/or on the track area

Boys and Girls Track:

- Facial coverings must be worn at all times and social distancing guidelines (6 feet) are still in effect
- Given the number of participants from each school, we respectfully ask that all spectators view the Track Meet from outside the fence
- Please stand along the fence line socially distanced with a facial covering

Volleyball:

- Per the Home Gymnasium Spectator Policy of Nipmuc Regional High School for home contests
- Per the Opponent Gymnasium Spectator Policy for away contests

In advance, please enjoy the game and being part of your child's athletic experience. Your cooperation and respect of the facility requirements are greatly appreciated.

Take care,

Michael Denise, CAA
